Because of the very nature of skiing and ski racing, accidents will occur, including the risk of collision, injury and possibly death, despite the efforts of the NMSA staff and the Boyne ski areas. Neither NMSA nor its instructors have insurance to cover such accidents. Therefore, this agreement is contingent on the racer and his/her parent/guardian(s) ASSUMING THE RISK of injury to the racer.

Helmets are required for all racers in the NMSA program.
