Jay Potter, Secretary

Tim Davis, Director of Racing

Chris Dundon

Tom Loomis

Steve Ludwig

Mari Schumaker, Web Manager & Volunteer Coordinator

Ken Shepherd

We are an all-volunteer organization. Our assets are our volunteers and the equipment necessary to facilitate "ski racing". Our treasury is sufficient to maintain the equipment needed to run a successful program. We own laptop computers, timing equipment, numerous sets of racing gates and drills to install them in the formation of a racecourse.

Please consider participating in the successful future of our organization.
